WEATHER FORECAST

Washington, June 10.—Fair tonight and warmer in central portion; Sunday, fair.

ON THE RAMPA

A trio of disorderly men, whose names may be John Doe, Richard Roe and Edward Ho, were the principals in a wholesale touch of high life last evening about twelve o'clock in a house of ill fame in West End, owned by a woman named Minnie Ardish.

From the officer's account of the affair it seems that the above parties came out with blood in their eyes and intended getting revenge for past wrongs. They were very drunk, and upon the landlady's refusal to sell more drinks, sent down to a saloon and purchased a case of "red-eye," which they placed on the piano and proceeded to open up and drink. In the meantime demolishing all the furniture in sight, including lamps, chairs, divans and the piano. The inmates of the house ran up town and secured the services of Constable Hutson, who went out and corralled the bunch at Nellie Mathews', another house in the Red Light district, took them up town where they each gave a \$10 bond for their appearance in mayor's court this morning. The men failed to appear and the bonds were forfeited.

DEAFNESS CANNOT BE CURED by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. Cheney & Co., Toledo, O. Sold by druggists, 75c. Take Hall's Family Pills for Constipation.

Editor Star: We see that a few good people are putting in their library votes for the Baptist church and the Baptist Sunday school. We wish to notify everyone that neither of the above institutions are contesting for the library; therefore, we kindly thank you for your remembrance, and wish to solicit, in the future, votes for the Ocala High School.
